**Attachments:** FFEO and FFRRO Briefing Hunters Point 3-12-2018 V3.docx; Map - Tetra Tech Scope of Rad Work.pdf

I have limited access to internet today, but I'll try to send you the link later. Since we already talked w/Jim 3/7 re rest of country (what I talked about yesterday), he decided he didn't need to do another 3/27, so that was cancelled.

**Subject:** Prep for Hunters Pt Mtg w/Jim Woolford, et al, 3/27

Dear Lois,

I hope you are well. I'm following up on the voicemail I just left you. I'm the RPM for Hunters Pt Rad issues in Region 9. I am preparing for the 3/27 meeting that your office set up. I want to make sure that we will address Jim's areas of greatest interest. Dianna Young suggested that I check in with you as a resource. For reference, attached are the briefing materials we gave to OECA/FFEO and OLEM/FFRRO in yesterday's briefing. I would appreciate your guidance. Thanks!
